Mattapoisett with a dance under the full moon. The chill air did not detract from the enjoyment of the night's dancing as these photos by Win Jenney show. The dance was sponsored by the Mattapoisett Bicentennial Committee.

Block Dance

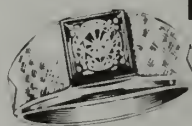

In Mattapoisett, hundreds of people turned out on Labor Day evening to enjoy the Block Dance and music of Art Perry's orchestra. The night was clear, cool, and we had a beautiful moon. Young and old who attended were orderly and comments were heard throughout the evening that this was wonderful and we should do this more often, or once a month next summer.

There is a wonderful spirit of cooperation among the people of Mattapoisett, and they turned out for all our Bicentennial events in the last two years.

The Bicentennial Committee would like to thank all who attended, the Police Depart-

Mattapoisett Woman's Club

The Mattapoisett Woman's Club will open its 1976-1977 season with a festive affair starting with Cocktail Punch and Hors d'oeuvres at either Jan Morris' or Alex Barnett's. Following will be a luncheon at the Congregational Church consisting of chicken salad, sliced tomatoes and cucumbers, hot rolls, hot vegetable, dessert and coffee. There will be a short business meeting and a fashion show presented by Bits 'n Pieces, with our own members serving as models. The date is September 23rd, the place either Jan's or Alex's depending upon placement with your reservation, and the time is 11:30 for Punch, 12:30 Luncheon and Fashion Show. Your reservation form is included in Ladies Choice. Be sure to send it with price specified right away to Daune Smith, 19 Old Marion Road. Sounds like good fun and a good kick-off. See you there.

All of the interest groups are getting into high gear. If you need information about these groups, the chairmen are listed in the May Ladies Choice. Come out

SENIOR SATURDAY SERIES - SEPTEMBER 4

The last event in the Senior Saturday Series on September 4 brought series racing at MYC to a close, concluding a season which will certainly rank among the club's more interesting ones.

Now to the first contest in the Beetle Cat doubleheader - fast moving and unpredictable! It was rather a challenging day with rough

seas and at first 15 mile SW winds. Harvey Pentleton in Swamp Fox took the lead at the start of the 4-legged course and maintained it to the first marker, and also to the second. But, at the end of the third

leg at Barnard's Wharf MYC Guide Buoy, Dave Jenney in Ariel moved up and started to challenge. Also on the stretch from Barnard's Wharf to finish, the final short windward leg, Bill Cornish in Barby Jo closed in. Now for some swift changes! First Dave passed Harvey, then Bill edged by, leaving the tally to read: Dave Jenney in first place, Bill Cornish second and Harvey Pentleton third.

In the second contest the wind picked up to twenty miles per hour, gusting higher, and really whistled in the riggings. But the action seemed to slow down as the boats spaced out, with no real confrontations developing. From the beginning Dave was first in line, followed by Harvey second and Bill third. This pattern continued all the way.

Yachts, Herreshoff 12's, Ladies' Beetle Cats, Corinthians, Lasers and a Beetle Cat Open.

Fortunately, the forecast of rain driven weather held off and at 10:00 A.M. a strong SW wind sent the Cruising Yachts briskly on their way. The 15.2 mile course took them to Nye Ledge Black Bell "9A", West Island Ledge Red Bell "2", Bow Bells Black Can "11", Angelica Point Red Nun "2" and finish.

At 10:15 the Herreshoff 12's answered the starting gun. It began with a tight, even, competitive start, but before long on the initial leg Dave Jenney's Jan Cap worked into the lead with Ann Donald's Minnow in determined pursuit. The contest ended much as it had started with Jenney pacing Ann Donald by 45 seconds, and H. Pearson's Truant not far astern.

The Ladies' Beetle Race, taking off at 10:20, was as close as it was well sailed. At the finish line it was Joan Cornish in Bary Jo the winner by 32 seconds over Faith Jenney's Ariel; Jocelyn Baylow's Doodlebug 45 seconds behind.

Three races were on the slate for the afternoon. At 1:30 P.M. the fleet of six Corinthians were the first to get the proceedings under way. They turned out to

NBIS brings you **homesafe**

**...the Fall home improvement loan
with money to winterize plus a free gift
that protects your family from fire!**

The Honeywell Dual-Chamber Ionization Detector can warn you and your family of fire at the earliest possible stage...before there are visible signs of smoke or flame.

Its loud, 85-decibel alarm horn alerts you to danger before smoke, flame and heat can cause serious hazards and panic, giving you and your family extra time to react and escape to safety.

It can be installed instantly, merely by plugging it in. And it's easy to wire in permanently, too.

At its usual retail price of \$49.95, the Honeywell Smoke and Fire Detector is a real value. Now you can get one FREE with a home improvement loan of \$1,500 or more...two FREE with a home improvement loan of \$3,000 or more.

If there's an improvement your home needs before winter — new heating system, new siding or roof, an extra room, insulation, etc. — now's the time to get started. And there's no better way than with a HOMESAFE improvement loan from NBIS.

You get low savings-bank interest rates, courteous fast-answer service...and, for a limited time, a bonus gift every family truly needs — a high-quality Honeywell Smoke and Fire Detector.

NBIS is offering this gift to make it easy for families to install this vital form of protection when they improve their homes. Read about it in the box at left...then call or visit any of NBIS' six convenient offices to get started on a HOMESAFE home improvement loan, adding value to your home and protection for your family.

be a well matched unit, and a scrappy one to boot. Skip Bailey's Escape was the victor, followed by Russ Bailey's Misty and Jack O'Leary's Quest.

Next to start were the Lasers, those swift little craft that seem to skim miraculously out of sight. Luckily the skippers didn't appear to mind the inevitable drenching in the rough seas. Arthur Bond received well earned first honors as did D. Mahoney second.

There was not a dull moment in the Beetle Cat Open. All along the 5-legged course, positions shifted back and forth in rapid succession. At the outset Jocelyn Baylow in Doodlebug, making a fine start, maintained her advantage to the first marker, with Harvey Pentleton's Swamp Fox next, and Dave Jenney's Ariel and Bill Cornish's Barby Jo trailing. But as they rounded the marker (Mattapoisett Neck MYC Guide Buoy) Dave displaced Baylow and in the embattled line-up Pentleton fell back, Cornish menacingly in his wake. On the reach to the se-

cond marker (Barnard's Wharf) Cornish surged ahead to take over the elusive third spot - but not for long! On the windward leg from Barnard's Wharf to Molly's Cove, Pentleton started to gain momentum, outdistancing both Cornish and Baylow. Now in second place with two legs yet to go, the run to Ned's Point and to finish became a veritable donnybrook. On the final countdown Jenney was ahead, Pentleton topping Baylow by a very narrow margin.

By mid-afternoon the Cruising Yachts began to return and a pretty sight they were with sails billowing in the stiff 25 mile an hour breeze. Fred Klein at the helm of Paradigm made it in 3:07:43 (both elapsed and corrected time) and thereby became the recipient of the Charles H. Whalen Memorial Trophy. Susan McGowan's Gryphon clocked 3:22:23, Chester Young's Spindrift 3:28:54 (both corrected time).

CONFERENCE WITH E.P.A.

Chairman R. William Blasdale reported to the Board of Selectmen that he had contacted the Environmental Protection Agency office in Boston to arrange a conference between Town Selectmen and E.P.A. officials at the Boston office to try to avoid a delay in the town sewer progress. He said that the E.P.A. spokesman had assured him that such a meeting would not be necessary. He was told that the auditors' objection to the 20% profit margin of the engineers was a guideline rather than a policy. Mr. Blasdale said he was assured that, if the town were to state in writing the steps leading to the selection

Bicentennial Committee

At the September meeting of the Mattapoisett Bicentennial Committee reports were given on the sale of the memorial plates and stickers. These, as well as the booklets, are still available at the Seaport Pharmacy, the Mattapoisett Pharmacy or the Town Clerk's office at the Town Hall.

There was discussion about a suitable place to keep the slides of the various projects of the committee taken by Mr. Donald Welch. The committee feels that the Historical Museum is the proper place.

Mrs. Philip Murray reported that the successful Arts and Crafts Festival was practically self-sustaining with very little financial help from the committee.

At the beginning of the Bicentennial the Massachusetts Bicentennial Commission suggested three phases - Heritage, Festival and Horizons. We have completed two of these.

ANGELICA YACHT CLUB LABOR DAY EVENTS

The three day Labor Day series was the main event on Point Connett over the weekend as eight Beetle Cats and six Handicap boats vied for the top awards in typical Buzzards Bay winds.

To capture the Junior series trophy, Ralph Eustis, Jr. took two first and a sixth in the three days. Second overall was Jack Hill and third place went to Scott Crowley.

For the Annual Mervin Trophy race, Scott Crowley's Nuisance took a first on Saturday with Harvey Pentleton's Swamp Fox second and Ralph Eustis, Jr.'s Tyro was third. On Sunday, Tyro proved the victor with Nuisance taking a second. In Monday's race Eustis' Tyro again took a first to win the series for the second consecutive year. Crowley's Nuisance placed second overall and Pentleton's Swamp Fox third.

In the Handicap race Lew Franklin was the first place winner all three days. Se-

cond overall in the series went to Howard Johnson.

The highlight of the AYC Labor Day series is the Senile Sea Dogs and Pups race. In Saturday's race Polly and Skip Sammis were the victors with Alice and Charlie Clark second and Mary and Howard Chadwick third. On Sunday, with the high winds and threatening skies, the Sea Pups voted to cancel the race. Monday's race, however, again proved exciting with John and Barbara Hill taking a first, the Clarks another second and Pat and Harvey Pentleton finishing third. The prized Senile Sea Dogs and Sea Pups flag was presented to the Clarks at the annual meeting that afternoon at the home of Commodore Eustis.

CADETTE GIRL SCOUT REGISTRATION

Invest in a fancy foreign import.

The PUCH Moped, a whole new kind of European road machine, is here. With more headroom than a Rolls. More legroom than a BMW. More economy, about 130 mpg more, than a VW. And a fully automatic transmission just like a Mercedes. OK, so your luggage room is a little less than an Audi station wagon. And your pick-up (0 to 25 in 60 seconds) is a little less than a Porsche. But your maintenance and upkeep are a whole lot less than anything on wheels, except maybe a Swedish skateboard.

Come in and add up the dividends you get, mile after mile. Invest in a fancy go-between. The new PUCH Moped. Just for the fun of it.

Jr. All Stars

A lot of hard, dedicated work was done by the Junior All Star team this year. The seventeen members of the team built a strong cohesive unit that was very competitive. They stayed in in every ball game and never quit. I always stress that no ball game is over until the final out. They listened and did the best they could, which made me very proud to be a part of it. Of course, we had our bad moments but the good ones outweighed them. One of the committee members of the tournament spoke highly of our team. He did say he was sorry that we were out of the tournament before more people had a chance to see us. He told me that we had a very strong defensive club and with a few more breaks we would have been in the tournament longer. It made me feel happy that he had a lot of positive things to say about our ball club. All of the people of Mattapoissett can be proud of these kids and the job they did. Dan Lee and Louis Berard were very instrumental in helping me get the most out of the kids. If you see any of these players, please congratulate them on a job well done.

The Junior All Stars were the following 9 & 10 year olds: John Scannapieco, Spencer Blasdale, Steve Harris, Mark Sanford, Dan Lee, Chris Parker, Greg Kelsey, Joey Rocha,

YOUNG PEOPLE'S SHOWCASE BEING FORMED

On Monday, September 20th, all young people in the area from the ages of 16 and over are invited to join in the Young People's Showcase at the Marion Art Center, Main Street, Marion, at 7:30 P.M. Under the direction of Nancylee S. Gaucher, the group is being formed for young people who like to sing, dance, act and/or play a musical instrument, and will provide an outlet for this talent to be performed at the Center and around the area at local functions. Based on the format used by groups like the Young Americans, and Fred Waring, it is hoped that enough interest will develop and provide a nucleus for future theatrical endeavors. Mrs. Gaucher, recently returned from New Orleans, is well-known in this area for her highly professional background and training in the Musical Theater as a performer and director. The sessions will run approximately 2 hours once a week to begin with. As it grows, they will meet to rehearse more

Bird Seed Savings Day

The Children's Museum will hold its autumn Bird Seed Savings Day on October 2. The Museum is buying large quantities of quality seed at bulk prices and passing the savings on to its members and the public in cooperation with several other nature centers across the country. Bob Lucas, Director, said that orders may be placed with the Museum before September 23, the closing date for orders, and could be picked up on October 2, Bird Seed Savings Day, at the Museum Outdoors, 100 Old Westport Road, North Dartmouth.

Several kinds of seed will be available and in addition, several styles of bird feeders will be available for sale.

The hobby of feeding wild birds has grown in leaps and bounds in the past few years, although the idea is not a new one. People

feed birds for a number of reasons. Some people feel that it is necessary to feed birds as a supplement to the natural food supply to help them through the winter. The spread of suburbia into formerly rural areas has resulted in a loss of habitat and wild food for the many species of birds which are so vital for insect and weed control. Others feed for the enjoyment and the color that a feeder teeming with birds will bring to a drab winter day. Feeding birds can have a very positive effect on our appreciation for wildlife and our natural heritage.

The Children's Museum suggests that you take advantage of this sale. All proceeds will go towards the support of the Museum's educational programs and activities.

Orders will be accepted at the Children's Museum, Russells Mills, Dartmouth, in person or by calling 636-4688 before the deadline of September 23rd.

A Wind to Shake The World

The Story of The 1938 Hurricane

BY EVERETT S. ALLEN. On September 21, 1938, a young man named Everett S. Allen began his first day as a reporter for the New Bedford Standard Times. Before the 21st was over, he and thousands of other people along the northeastern coast had experienced the worst natural disaster in American history. In this dramatic chronicle, the author relives that day and its aftermath from a personal and a historical viewpoint... crowded with stories of horror and heroism, of people who had every reason to believe they would survive - and did not - of rescue operations that had no chance to succeed - and did. And behind the wind and rolling water was the death knell for a sense of values and social continuity that a generation of Yankees had accepted as their birthright.

PLAY "JUDGEMENT"

"Judgement" -- a play the Boston Globe called "powerful, stomach-churning theater, a stunning tour de force, a major event" -- will be presented at Southeastern Massachusetts University on Thursday, September 23, at 8:00 P.M. in the SMU Auditorium.

"Judgement", which played to packed houses last season in New York and Cambridge, is based on an actual incident of World War II when seven Russian prisoners of war were inadvertently locked in a cell by the Germans without food or water for 60 days. Only two survived, one of them a raving lunatic as a result of the experience. How the two came through alive is the chilling theme of the play.

The newspaper further comments on the American premiere of the play last spring: "when the house lights went up it took four minutes for the audience to get itself together, to head for the exits, or applaud. Some theatergoers were weeping."

"Judgement" was written by English play-

COURSE AT SMU

"Technological Society in the Year 2000" is the topic of a course being given at Southeastern Massachusetts University this Fall for interested members of the community as well as SMU students. The course, scheduled for Monday, Wednesday and Friday at 11:00 A.M., will be taught by Professor Siegfried Breuning of the Civil Engineering department.

"The course will focus on the technologies of transportation, information-education, and possibly energy as examples of technical realities of day-to-day life which we can either use to our benefit or abuse to our destruction," says Dr. Breuning.

"Each of the technologies will be studied
